SUNDAY SERMON

TOPIC:

STEPS INTO DESIRED LAUGHTER

In order to step into your desired laughter, you have to follow some steps –

1. You must serve the Lord in the real sense: Anyone that serves God in true honesty not by deceiving yourself always end of laughing. Serving the lord speeds up your chances of laughing. Serving God would automatically cause great thing that would make you to laugh.

Let God know that you are serving him. Take Daniel for example, his enemies wanted to put him in bondage so he would not be able to laugh but God vindicated him.

Be a dedicated Christian and God would cause to laugh.
