# SUNDAY SERMON

## TOPIC:

**HOW TO RELY ON GOD ESPECIALLY IN  
TIMES OF CHALLENGES**

No nation can survive without challenges, troubles won't notify you when its coming but there is already solution on ground. For you to be hopeful, you need help. Most of the time when you are hopeless, you feel helpless.

You have to rely on God by rejoicing in your challenges. Every challenge is a stepping-stone to another. Most of the time, God knows about your trouble.

### HOW CAN WE RELY ON GOD

You must rely on God presence: Rejoicing in your suffering does not mean you are celebrating your trouble it simply means you are celebrating what God has done and what He is yet to do.

Joshua 1:3

You must rely on God provision: God provides for every living thing from animals to human. He provide you with what you
