THE BIG QUESTION?

Easter is not just a holiday but a deep understanding of the price paid by someone for the hopeless to be hopeful.

Many people asked, is Jesus truly resurrected?

1st Corinthians 15 vs 3 – the journey started by the sin of man. Sin is ‘Satan Identification Number’ that positioned man for destruction and Jesus came to pay for that sin in order for man not to be destroyed. Jesus death reposition us for righteousness.

Vs 4 - Jesus died carrying all the sins of man which automatically made Him a victim of hell to suffer on our behalf. He fought the hell for 3 days and come out victorious. Colossians 2:16. He triumph over principalities and power.

Jesus died for our sake. Now the big question is ‘WHAT ELSE DO YOU WANT FROM HIM?’

1. He abandoned the throne of heaven for 33¹/₂ years for your sake
2. He was born in the shelter of animals for your sake
3. He was imprisoned in the womb for nine months for your sake
4. He was chased around and killed for your sake
5. He suffered hunger, thirst, and was naked for your sake
6. He was betrayed and sold for 30 shekel of silver for your sake
7. He was condemned and an criminal ‘Barnabas’ was preferred to be released for your sake
8. He was punished, spitted upon, publicly disgraced for your liberty.
9. He was called different negative names for your sake
10. He was worn upon a crown made of thorns for your sake
11. He was propelled to carry a cross and nailed by a nine inches nail for your sake
12. He went into the land of the dead for 3 days for your sake

What else do you want from Him to abandon SIN? Who amongst us can pay for his/her sin. We are too broke, too poor to pay.

WHAT ELSE DO YOU WANT FROM HIM TO ABANDON SIN?
